create a new strategic plan so that healthy,  
sustainable food can be available to all.**

**Places are limited  
RSVP [here](#) please by 20/11/25**

---

### **Workshop Objectives**

We aim to dream big & co-create something much more impactful than the sum of our parts, harnessing the power of partnerships & collaboration to ensure good food is accessible to all who live in the Folkestone and Hythe District area.

In this workshop we will:

- ☞ Learn from Graduate Researcher Alise Kirtley's research findings on the strengths and weaknesses in our local food system
- ☞ Agree on local strategic priorities & actions to be rolled out via the District Food Network
- ☞ Develop working groups who will lead pilot projects and good food initiatives within the *Sustainable Food Places* framework
